## Helpers on the day

Thanks to all those families who have supported the Fair by organising to run a simple stall for a couple of hours. This has allowed others the chance to enjoy the Fair too. We are still needing at least 2 people to help on different stalls. Please contact Pip at [cpearly@xtra.co.nz](mailto:cpearly@xtra.co.nz) to get some info about the stalls needing support and when.

The PTA have made a huge commitment to the Fair and have created a fantastic event that offers something for everyone. Please support them by helping on a stall, coming along with the children and having a go and many of the fantastic events and bring as many friends not associated with the school as you can.

**Imagine if this could become the biggest fundraiser** the PTA did so that it became the only fundraiser. That won't happen unless we all get out there with as many people as we know.

## WHOLE SCHOOL CAMP

Last year we did it at the start of the year, this year we would like to do it at the end of the year, so Wed Nov 30 and Thurs Dec 1 is going to be our overnight camp up on the Garland farm. We are a rural school and we are doing a rural camp. Tents, walks in the Maungatautari enclosure, stream studies, bush studies, portaloos (what a luxury).

So book some time off and come and celebrate an end to a good year, or if you can't get time off then come along after work. Stay for tea, sleep with your children and be off the next day to work again.

More details will come home Monday about medical forms, timetables and things we need, but two major things we need are water containers and portaloos. If you can provide any of these we would greatly appreciate it. There is water at the site but it is far more convenient if we had containers so we can have the water right where we were cooking and eating. So pencil in the date and we will see you there.

## MONDAY LUNCHES

Sausage Sizzle	\$2.00 (07/11)
Chocolate Milk	\$1.50
Hotdogs	\$2.50 (14/11)

### Wednesdays are Hot Food Days

Food is to be brought to school in a wrapping suitable for going directly in a pie warmer – tin foil, heat proof container, paper.

## GROUP DAY

Another excellent Result from Group Day. Five children continued on to Group day this year and were superb. You represented the school beautifully. You should all be very proud of your efforts – your families were. Here are the fabulous results our children achieved:

Toby McAlpine: 5<sup>th</sup> junior- rearing, 4<sup>th</sup> junior-obstacle, 4<sup>th</sup> junior- call, follow, run for goats.

Xavier Gread: 2<sup>nd</sup> junior-rearing for calves

Elijah Gread: 5<sup>th</sup> junior- rearing, 3<sup>rd</sup> junior – leading, 2<sup>nd</sup> type for calves.

Jacoba Gread: 2<sup>nd</sup> senior- type, 5<sup>th</sup> senior -leading, 1<sup>st</sup> senior -rearing, champion leading for calves.

## ROTO ATHLETICS

Friday 18<sup>th</sup> November is the Roto school athletics day. In the morning the children participate in the field events of discuss/Frisbee, shot put, long jump, high jump and vortex throw. They do this in their age groups and rotate around the various events. After lunch we participate in the tack events – 2 sprints and then the long distance runs for the Cup Races.

Parents are whole heartedly invited down to the school to enjoy the athletics day.

## YEAR 5 LEADERSHIP DAY

The Year 5 children will be participating in some leadership activities next week in preparation for taking on leadership roles in the school next year. They have another day in early December. The activities are held at the school with the Waikato Institute of Leisure and Sport.

## BYOD AT SCHOOL

Room 5 are trialling Bring Your Own devices for use at school as from Monday. If this is successful until the end of the year then we will open it up to Room 4 and 5 next year. A meeting will be held on 7<sup>th</sup> Dec from 5-6pm at school to outline the reasons behind BYOD, preferences for devices and the guidelines behind these being used at school.

**GO, GROW, GLOW!**

**VEGETABLES AND FRUIT**

Find us on fb.com/ProjectEnergize

Every day **GLOW!** with 5+ servings of vegetables and fruit

These foods contain vitamins and minerals important for good health. Different colours have different vitamins and minerals – eat a rainbow of colour every day! **TIP: 1 SERVE = 1 HANDFUL**

### Turbo

A lonely snail under the dirt in a vegetable garden, slithered around very bored. Until a boy came and picked him up out of his home and dropped him in a box with a whole lot of other snails and named him Turbo. The other snails were called Whip Flash and White Shadow.

The shocked snails all started warming up for a race. Some boys placed them in their starting positions, then they were off, quite slow, but fast for a snail. Turbo slithered as fast as he could, up and over and past the other snails to get to the finish. Turbo was the winner, second Whip Flash and third White Shadow.

Turbo stopped to nibble on the tiny, green, juicy leaf waiting for him, feeling confused and tired.
