

# Roto Review

We live by  
our motto of  
**AIM HIGH**

Dear parents and caregivers,

## BOT

Thank you to all the parents who put their names forward to run for the BOT over the next 3 years. It is a clear indicator of your commitment to the school and the future of your (and all Roto-o-Rangi) children. Like all elections, not everyone is voted on, so thanks to those who put their name forward but did not make it on to the BOT this time. We look forward to a productive and progressive 3 years with the newly elected BOT: Katy Dawson, Graeme Norvill, Marcel Kuijpers, Jo Curin and new member – William Ormsby.

## GYMNASTICS

Congratulations to all the students who competed at the GymFest last Friday. Not only did you show your wonderful skill on the equipment, but you represented the school superbly. Your behaviour, effort and attitude was noted by people not associated with the school; so well done.

Thanks to Mrs Furze for the time she put into supporting the children to learn their routines and develop the skills to perform so well. We don't know how many children will be going to the Waikato GymFest but do know that Riley K and Lucy D will be, because they came first overall in their classification. Fantastic! Here are a few photos of the action on the day.

## PARENT/TEACHER/STUDENT CONFERENCES

On Friday next week – July 1<sup>st</sup> – children will be bringing home Nga Poutama to share and celebrate the learning they have done this term. Children in Year 4-6 will also be bringing home their mid year report. These reports cover their learning so far this year, their progress and achievement. They will also indicate the likelihood of your child reaching the National Standards at the end of the year. Whilst they are a prediction, it is an opportunity to discuss with the class teacher what can be done over the next 2 terms to help your child reach or exceed the Standards. Please make sure you bring the Poutama to the conference as this provides some of the evidence about their chance of reaching the standard.

Conferences will be held in the last week of school – Tuesday 5<sup>th</sup> and Thursday 7<sup>th</sup> July.

## WELCOME

We welcome Xavier to Room 1. Xavier has older siblings Elijah and Jacoba to help him settle in and he has taken to school life like a duck to water. We know that you will enjoy your time at Roto-o-Rangi and we look forward to your time with us.

## MONDAY LUNCHES

Hamburgers	\$2.50 (27/06)
Chocolate Milk	\$1.50
Sausages	\$2.00 (04/07)

### Wednesdays are Hot Food Days

Food is to be brought to school in a wrapping suitable for going directly in a pie warmer – tin foil, heat proof container, paper. The wrapping then has the child's name and class clearly written on it so the right food goes back to the right child.

## FIELDAYS

Thank you all very much regarding children going to the Fieldays. The Wednesday and Thursday were just normal days in classes, and over half the school were gone on the Friday with people at Fieldays and the GymFest.

## PSG CORNER

Just over a week to go... **Roto-o-Vegas Night** on 2<sup>nd</sup> July. This is one school fundraiser you don't want to miss. There is more fun in this FUNdraiser.

Games of Black Jack, Roulette, Crown and Anchor Dice, etc. Thank you to the volunteers who are supplying food, operating the tables and organising the event. If it is anything like last year, it will be a cracker!

## MILO THURSDAY

Milo Thursdays have returned. Any child in the school can go to the MP Room at morning tea on a Thursday for a warm milo.

If there are a few parents who could come to school and help, it would be much appreciated.

It would also help the PSG out if parents were prepared to donate tins of milo, packets of marshmallows or milk. We have created a Google Doc. Simply go to the link below (or click on the link in the newsletter emailed to you) and add your name and when you would be prepared to come and make the milo or donate some ingredients.

## POLICY AND PROCEDURE REVIEW

As part of our ongoing review of policy and procedure, the following guidelines have been developed regarding illness at school. It is a timely development given the number of children and staff being affected by illness at the moment and the spate of vomiting we had at the start of the term.

The purpose of this procedure and the guidelines is to prevent further spreading of illness.

We understand this has an impact on families, but believe it will reduce the number of families taking time off work caused by illness being spread from one child to another. These guidelines are recommendations from the Ministry of Health.

1. Children who have viral and / or bacterial illness that are contagious (including colds and flu's) are to be cared for at home.
2. Children who vomit or have diarrhoea are to remain at home until 24hrs after their last excretion.
3. Children who require the taking of antibiotics for possibly contagious illnesses are to remain at home until 24 hours after being given their first dose of the antibiotic.
4. Records shall be kept at school of any allergies and medical conditions and medication required. Records will be updated regularly.
5. Medical plans will be in place, staff will be aware of the plan and the plan followed for all students with identified allergies and illnesses.

6. In the case of a communicable disease the school will be guided by the Ministry of Health School Exclusion information and the Public Health Nurse.

Please help us keep your children well and able to learn by ensuring you follow the above guidelines.

**ALSO, a reminder about the two Health and Safety policies sent out in the last fortnight for your feedback. Could any feedback be sent back to the office by the 24<sup>th</sup> June.**
