CLARIFICATION

The information in the last newsletter about Sandra starting as a Teacher Aide in the school confused people, so to clarify – when Steph left at the end of Term 2 we had a vacancy. Tracy (who was already working with a special needs student in the school) changed roles and took on Steph's job of helping various students in the classes with literacy and numeracy. This meant we needed a new teacher aide to take on the role for our special needs student. Sandra was appointed as that teacher aide during the school holidays.

We are fortunate to have 2 such quality teacher aides supporting our children's learning, alongside quality, experienced teachers.

PTA NEWS

The plans are well underway for an even bigger Country Fair than the very successful one held last year. As this is the only major fundraiser for the year we need as many parents helping to run the stalls as we can get. If it is going to be as successful as it can be, we need a huge amount of parents supporting on this one day.

So keep the 4th November free.

Milo Thursdays are continuing this term. Thank you to parents who have donated milk, milo, marshmallows and time to make the milos for the children. They are loving them.

A HUGE thank you to Leamington Fruit & Vege who are kindly donating 6 litres of milk each week for our children's milo! Please pass on a thank you to them next time you shop there.

ROTO UMBRELLAS

The PTA have organised some snappy umbrellas with the school name and logo. The umbrellas can be purchased from the office. Big adult umbrellas are \$25 and the smaller children's umbrellas are \$15.

Don't wait too long or you will miss out, the wet weather hasn't gone away yet!

DIGITAL TECHNOLOGIES

The New Zealand curriculum has changed one of its curriculum areas to include Digital Technologies. The change reflects the different ways we live, interact and work now. The new area will begin in 2018. You will notice some new things being done in the school next year but nothing too radical.

In term 4 we will have a parent evening to discuss how the school is going to cater for children (your children) and how we can best prepare them for a rapidly changing digital world, and ensuring they are getting the best educational start that we can give them.

Thank you to Leanne from Mitre 10 who supplied 5 (yellow and black) soccer balls for the school.

HEALTHY HOME BAKING

HOME BAKING

With a few healthy changes muffins, scones, loaves and muesli bars can be made at home for a healthy, fresh and cheap snack. Also, great for the lunchbox!

Home baking = less packaging... a bonus for the environment

Developed by Sport Waikato 2017

The poster features a vertical banner on the left with the text 'HEALTHY HOME BAKING'. The main title 'HOME BAKING' is in large, bold, black letters. Below the title, there is a paragraph of text describing the benefits of home baking. To the right, there is a circular logo for 'Team HeaZie' featuring a cartoon character. At the bottom, there are two images of baked goods: a round loaf and a smaller round item. The background is a light grey with a subtle pattern.
