SPEECHES

Congratulations to all the orators who competed in the Roto-o-Rangi Speech night last night. The standard of speeches was higher than ever before, right across the board. Even orator should be very proud of themselves. Every family should be just as proud. Thanks to our special guest judges: Mrs Wiles and Mr Morris.

Year 1/2 Orators

1st Dani K 2nd Hollie M 3rd Mason M

Year 3/4 Orators

1st Emma D 2nd Joel W 3rd Rheeahn D

Year 5/6 Orators

1st Kade S 2nd Lucy D 3rd Georgia K

Kade will now represent Roto-o-Rangi School at the Rotary Schools' Speech Competition on September 19th. We wish Kade all the best. He will be up against the best orators in Cambridge, with quite a few of them being Year 7/8.

WINTER SPORTS DRAWS

Hockey Friday 7th September

Roto Hockey Sticks v Hautapu Hurricanes, 3, 7.10 pm

Saturday 8th September

Roto Diamonds v Leamington Thunderbirds, 8, 10.20 am

WAIKATO GYMNASTICS

We congratulate and awahi the children who will be representing Cambridge and our school at the Waikato Gymfest on Thursday 20th September: Madison J, Greer C, Devon O, Venecia D and Riley K. Lucy D was also selected but unfortunately she won't be in the country when the comp is on. Good luck girls and boy. Kia Kaha!

KEEPING OURSELVES SAFE

This programme run in conjunction with the New Zealand Police Force has begun in all classes. Constable Irwin has introduced the programme and a follow up lesson will have happened. Constable Irwin will be in the school for the afternoon over the next two Tuesdays delivering his part of the programme.

BOOK WEEK

The last week of the Term is Book Week. To celebrate Literature and the Arts we will have a number of events happening.

Wed: Visiting author – we have a published author visiting the school to talk to children about their book.

Thursday: Grandparents Day – all real and pretend grandparents are invited to come along from 12.15pm onwards to share lunch with their grandchildren watch Lights, Camera, Roto talent show and then enjoy some afternoon tea.

Talent Show – organised by a Year 6 girl (Georgia) students will be able to perform a talent to the audience of students, parents and grandparents.

Friday: Dress Up as your favourite book character. Character parade to be held at 9.45am and then enjoy a full day of literacy to finish off the term.

HOT FOOD and HOT MILOS

At the end of the term it will be the last of the Wednesday HOT FOOD days and Friday MILO days. It will be beautiful and warm in Term 4 and so we will no longer need the warm refreshments to help get us through the day. THANK YOU to the parents who made the Milos, donated items so the children could have the milos and everyone who has donated their time to support the children in our school.

WELCOME

We welcome Summer to Room 1. We are glad you have joined us and know that you will have a great time at our school.

FUNDRAISERS THAT COST NOTHING

There are a couple of opportunities within the school to raise funds that don't require any time or effort.

Yummy stickers when buying fruit from the supermarket if you choose yummy

Qubik when Farmers are purchasing rubber wear for the milking machines if they purchase it through Qubik and mention the school we go into a competition.

This year we came 2nd and will receive \$1,000 at a special presentation on Thursday 27th September.

North Fuels the purchasing of fuel for the farm through North fuels also ANZ rewards for the school.

CMS ORIENTATION DAY

Cambridge Middle School is holding it's Year 6 Orientation Day on Monday 24th September. The children are taken into CMS at 9.30am and brought back to school by lunchtime. Support transporting the students will be greatly appreciated.

WINTER SPORTS ASSEMBLY

On the 2nd Friday of next term we will hold our Winter Sports Assembly. This acknowledges children who have represented the school in sports over the last 2 terms. Because significant numbers of students participate in these teams (from 5 year old rugby players through to 11 year old hockey players) we do hold a special assembly to acknowledge the participation and excellence achieved in the various sports.

FOOD PARCEL HELP

A reminder that there is a support service in the Cambridge Community Centre. In every community there are families who have some financially tight times and they offer a small but helpful service when they will supply breakfast and snacks over the weekend for the children. This helps free up a bit of money for families to spend on other essential items. If you think this may be of help, then please contact the Community Centre beside the BP in Leamington.

Why Is Lego Good for you

How many of you have Lego? Well I do and today I am going to tell you why I love Lego and why it is amazing. Lego is one of the most popular toys in the world. The first Lego brick was invented by a clever man called Ole Kirk Christiansen in 1958 and the first Lego man was made in 1978.

Do you know what Lego actually means? It means "play well."

The biggest Lego costs over \$4,500 dollars. It is the Millennium Falcon and it has 7,500 pieces.

Lego is the world's largest producer of toys. It is also amazing because you get to follow instructions. I love instructions because they take forever and I love it when you flip over the page onto the next step too.

This year I finished my ginormous barge. It took me 4 months to build it. Here is a picture of it.

Lego is cool because you can break it and build cool things again but you can use your own imagination too. So if you want some Lego you can come to my house and play with mine or you can go to the Warehouse and buy some LEGO.
